01

OVERVIEW OF THE COMPANY

SYRINO ELECTROMECHANICAL was commercially established in UAE on December 06, 1980 after successfully working on several major projects during its founding year on **1974**.

SYRINO ELECTROMECHANICAL provides a complete range of Mechanical, Electrical and Plumbing services through highly experienced Engineering & Project Management team fully complying to time, cost and quality requirements of projects.

Nearly **50 years, we carried out more than 100 MEP contracting projects** in a value of over 350 Million Dirhams in United Arab Emirates.

Our set of core values is the most precious guide for us in every step we take. We are a strong team who develops continuously, gives particular importance to creating value in the society, makes innovative attempts by combining the engineering and technological strengths with the strategical skills for a sustainable world in environmental, social and economical terms.

OUR SERVICES

SYRINO ELECTROMECHANICAL provides the following commercial activities:

- HVAC Contracting
- Electrical Contracting
- Plumbing Contracting
- Fire Fighting Contracting
- Electromechanical Equipment Installation and Maintenance
- Testing and Commissioning
- Operation and Building Maintenance
- Decor / Fit-Out Works

AL TAWASUL GROUP OF COMPANIES

Set up in the year 2000, Al Tawasul Group is managed by a group of skilled experts in the areas of civil engineering and others, and have come a long way from the first
commercial residential building project in 2006 to Batching plant project under zones group in 2019. Along the way,

Al Tawasul Group has also been involved in projects with villas, commercial buildings, mosques and many more.

With more than 20 years of experience in renovation and new constructions Al Tawasul Group brings a whole new dimension to how property development is managed and executed. Be it Industrial, commercial or residential properties, the know-how and expertise to skillfully manage and execute all kinds of projects
out there is acquired by the team of highly experienced and qualified experts and engineers to handle any and all complex large projects with the utmost professionalism and safety standards in place.

Overtime; Al Tawasul Group continued to grow and expand to meet the rising demand, and to maintain the strong trust-based relationships with our clients and partners. As such; the group has now more than six subsidiaries in covering all the major fields such as, MEP, General contracting, and Maintenance.

GROUP GENERAL MANAGER

ENGR. WALID ALMASOUD

Eng. Walid, is the founder of Al Tawasul Group, currently holding the title Group general Manager of the Group of Companies.

He is a registered professional Civil Engineer , a member of Society of Engineering in UAE, He set up Al Tawasul Group in the year 2000 and subsequently a few more companies as part of his business expansion plan.

His vision also enables the group to venture into MEP Contracting business in the Emirates.

Engr. Walid is very hands-on and sharp-witted professional businessman with diverse interests and more than 40 years experience in the construction industry.

MESSAGE FROM THE MANAGING DIRECTOR

Welcome to Syrino ElectroMechanical!

Syrino deeply appreciates the unwavering support and interest of our Clients. We at Syrino will strive for client's satisfaction through enhancing quality and technology, as it is our company's utmost mission in addition to fulfilling its corporate social responsibilities.

Since its establishment in 1974, Syrino has conducted numerous projects which are monumental in the history of construction.

One step further, Syrino will continuously respond to the future changes in market by diversifying our businesses and I will personally assure you of our best services at all times.

Sincerely,

Engr. Saker Aljbour
Managing Director
Syrino ElectroMechanical

02

EXECUTIVE LEADERSHIP

MANAGING DIRECTOR
ENGR. SAKER ALJBOUR

Engr. Aljbour brought with him more than 25 years of experience in the MEP Contracting Industry and currently a major share-holder of the company.

Under his portfolio, he successfully managed and delivered projects with over AED2 Billion contract value including the following recent projects handled while working with prestigious companies like Galaxy Advanced General Contracting LLC, Al Sabbah Electro-Mechanical Cont. Est (Al Faraa Group), Emirates Electromechanical & Industry LLC (Al Farabi Investment), Al Hamed Development & Construction LLC.

He will continue to drive the Group's engineering capabilities by focusing on talent development, technologies adoption & digital transformation.

Engr. Aljbour holds a Bachelor of Engineering (Electrical) and a member of Jordanian and Iraqi Engineering Associations. Acquired Risk Management PMP, LEED and FIDIC Contracts Certifications.

OPERATIONS MANAGER
ENGR. ALI ALOMARI

Ali Alomari stands out as a transformative leader in the MEP construction industry, leveraging over 32 years of expertise to drive innovation and excellence in UAE. His comprehensive knowledge spans mechanical, electrical, and systems engineering, as well as cutting-edge information technologies.

With a proven track record of collaboration, Ali effectively works with senior management, technical teams, and clients to deliver results-driven solutions. His technical expertise shines in new product development, where he expertly guides projects from conceptualization to manufacturing.

Ali's leadership style is characterized by strategic vision and direction, effective team management and motivation, expertise in estimation, scheduling, and budgeting, strong relationships with industrial contractors and stakeholders

Through his experience-backed judgment, strong work ethic, and unwavering integrity, Ali Alomari consistently makes informed, high-stakes decisions that propel projects forward and drive industry progress.

03

VISION MISSION & CORE VALUES

VISION

To be the premier Contractor for Mechanical, Electrical and Plumbing Works Projects in UAE.

MISSION

To provide safe, reliable and quality service by adopting innovative technologies and fostering a conducive, caring environment to grow our people so as to optimise their talents and achieve enhanced value for our customers.

CORE VALUES

SAFETY

Safety is our top priority and we walk the talk.

PROFESSIONALISM

We strive to tackle major challenges with our solutions-oriented approach.

PEOPLE-CENTRIC

We believe that our people are the most important assets.

OWNERSHIP

We take pride in embracing ownership on all tasks.

TEAMWORK

Teamwork is the pillar of our success.

INTEGRITY

Honesty is the key characteristic of all Syrino staff and fundamental in our day to day work.

QUALITY

We assure our customers the highest quality in everything we do.

QUALITY AND HSE POLICY

QHSE POLICY

Syrino Electromechanical

10th January- 2022

QHSE POLICY

SYRINO ELECTROMECHANICAL (SYRINO) is fully committed to Quality, Health, Safety and Environment extends beyond our business and employees to interested parties and the Community at large. The Management undertakes the appropriate steps to implement the principles set forth in standards ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 which are used as a reference for the Company's Integrated Management Systems. The activity is carried out in compliance with both the technical standards and the current legal framework, with customer satisfaction as the main objective and measurable targets.

The Management and Staff of **SYRINO ELECTROMECHANICAL** shall,

- Establish, implement and maintain a QHSE Policy that is appropriate to the purpose and context of the organization and supports its strategic direction.
- The continual improvement for its Quality, Health, Safety and Environmental performance standards and to protect the environment and the associated health and safety of its employees, clients or customers, suppliers, and the general public. Only through the cooperative effort of all can the best possible QHSE record be achieved.
- Provide and maintain safe environmental and healthy working conditions for all our employees, who are the company's most valuable assets. Also, identify OH&S Hazards and opportunities and other hazards and opportunities for the OH&S management system.
- Consult, communicate and collaborate with employees and other stakeholders on QHSE matters, QHSE Performance and other relevant matters.
- Prevent incidents, accidents, injury and ill health to its employees and other interested parties by eliminating hazards and reducing OH&S risks.
- Provide appropriate tools, equipment, operational processes, safe system of work covering all our activities and support reasonably required to ensure success.
- To raise awareness and train employees in OHS and environmental matters relevant to their obligations. Prevent environmental impacts and provide high quality services and products.
- Where there are risks to health, safety and environment, Aspects need to be assessed under specific duty or regulations. We will ensure that our assessments are carried out and that all actions shown to be necessary will be implemented.

SYRINO ELECTROMECHANICAL communicates this policy to all employees through training and daily management activities, both to ensure their understanding and to ensure that the policy is properly upheld. Our policy is made available to relevant interested parties upon request. The policy will be continually monitored and reviewed regularly, in orders to comply with any changes.

Mr. Saker Aljabour
Managing Director

Syrino Electromechanical EST. 1983 P.O.Box: 3950 - Abu Dhabi - U.A.E. سيرينو للمقاولات الكهربائية

OCCUPATIONAL HEALTH & SAFETY POLICY

Syrino Electromechanical

10th January- 2022

OCCUPATIONAL HEALTH & SAFETY POLICY

SYRINO ELECTROMECHANICAL recognizes its duty to ensure the Occupational Safety and health of its staff, sub-contractors, customers and visitors.

We aim to remove or reduce the risks to the Occupational safety, health and welfare of all workers, contractors, customers, visitors and anyone else who may be affected by our business operations.

We aim to ensure all work activities are done safely and all operations, procedures; activities comply as per OSHAD System Framework v3.1.

In our effort to achieve the Vision and Mission of **SYRINO ELECTROMECHANICAL** is committed towards the highest standards of Occupational Safety and Health in accordance with excellent performance and best practices.

In performing this duty, we commit to:

- Prevent injury, illness and other incidents
- Enhance employee health and wellbeing
- Identify & manage of OSH risks
- Comply with all applicable local, federal and international OSH laws & codes of practices
- Set, monitor & review OSH targets & objectives
- Provide appropriate OSH resources
- Strive for continual improvement

SYRINO ELECTROMECHANICAL is committed to effectively implement, maintain and comply with the requirements of OSHAD SF 3.1 in all concerned areas of its application and to ensure that the policy is communicated within our organization and to all our other relevant stakeholders.

Whilst the organization accepts the main responsibility for implementation of this policy, all levels of organization from Top Management down to the workforce shall ensure to abide by the rules & requirement made under the authority of this policy.

Mr. Saker Aljabour
Managing Director

Note: This policy shall be reviewed, revised annually for the continual improvement and effectiveness.

ENVIRONMENTAL POLICY

Syrino Electromechanical

10th January- 2022

ENVIRONMENTAL POLICY

SYRINO ELECTROMECHANICAL is a company in the region, whose mission is to ensure bringing into life exuberant visions with high values playing an exquisite role to effectively participate upgrading community's development in UAE and adding values to the Corporate Social Responsibilities.

SYRINO is highly and promptly committed to carrying out all of its activities in an environmentally sustainable manner through allowing sustainable development indicators measuring sustainability or sustainability development performance.

Part of these commitments are;

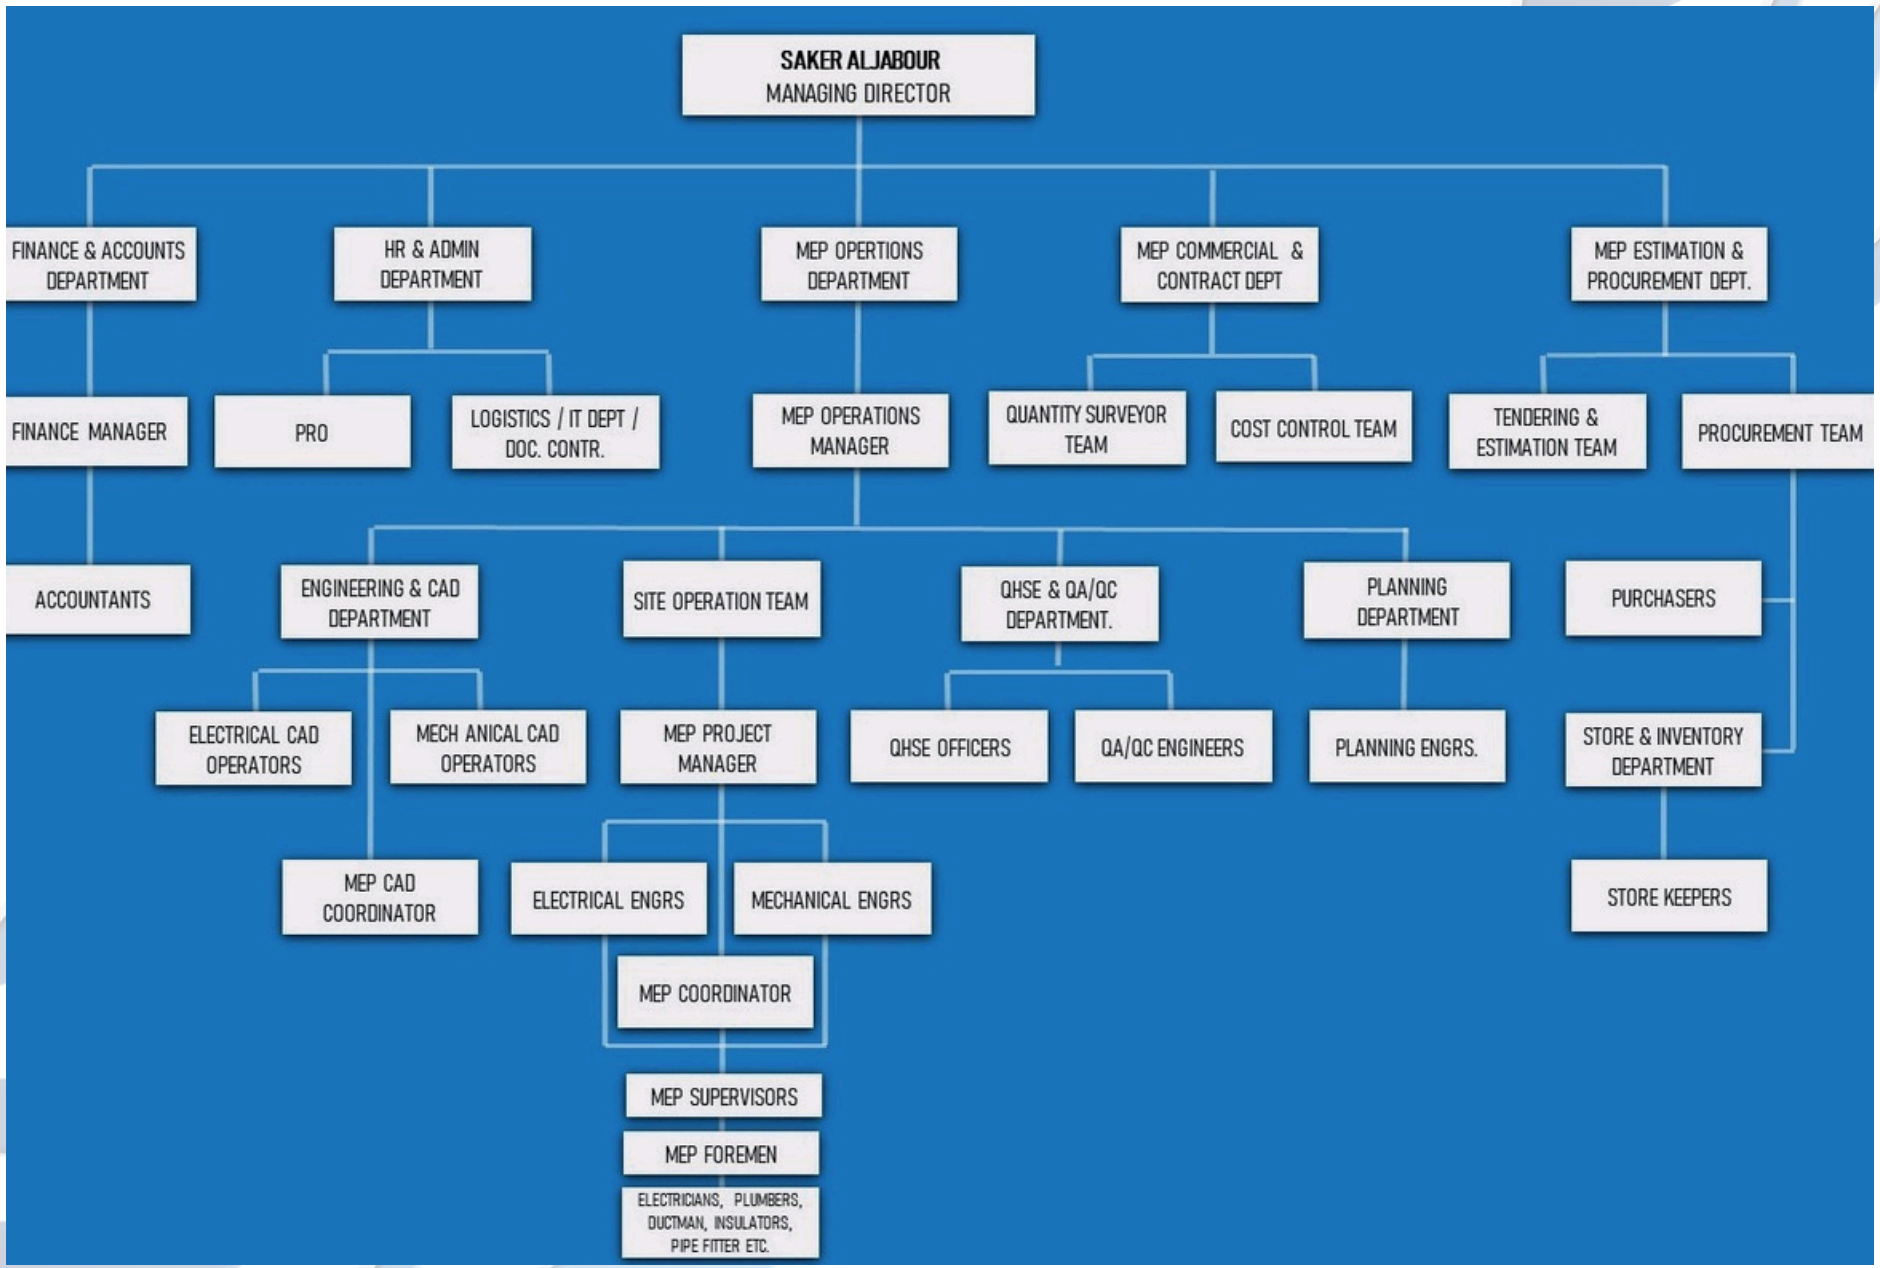

- Identify potential environmental impacts and opportunities from **SYRINO** construction activities, by commissioning environmental impact assessments for all projects' proposals, and then address recommendations in the decision-making and planning processes;
- Seek to minimize pollution and use natural resources sustainably by considering environmental performance and climate change in investment decisions, master planning, development design and construction, and supporting relevant research and development;
- Ensure regulatory compliance and continuous improvement by identifying appropriate environmental standards, developing and implementing guidelines, implementing pollution mitigation measure, monitoring environmental performance, and reviewing activities where necessary;
- Provide environmental training and awareness to staff to enable them to carry their jobs responsibly, and ensure accountability for environmental performance at all level in **SYRINO**;
- Ensure contractors, sub-contractors, suppliers, and partners working with us meet or exceed **SYRINO** environmental expectations;
- Pro-actively work with interested parties through research and joint program, to advance environmental management on execution of product and services.
- Operate and maintain all environmental management system through applied methods and systems approach in line with the guidelines of ISO 14001:2015.

Submitted by:

Eng. Shamel Salem
Construction Manager

Date: 4-Oct-2022

The Consultant's /Client Representative's review and/ or approval shall not be constructed as a complete check nor shall it relieve the Contractor from responsibility for errors of any kind in shop drawings, method statements, or schedules, or from the necessity of furnishing any work required by the Drawings and Specification, which may have been omitted on the shop drawings. The Consultant will review shop drawings and samples with promptness and will return them to the Contractor with the Consultant stamp applied thereto. No acceptance or approval of shop drawing or samples, nor any indication or request marked by the Consultant on any shop drawings catalogue sample or mock-up shall constitute an authorization for any increase in the Contract Price or Time for Completion.

المحترم ..... السادة/ مكتب البرج للإستشارات الهندسية

ص.ب/ ٤٦٢٠١ ـ فاكس / ٦٣٤٤٦٤٤/ ابو ظبي

بعد التحية ،،

الموضوع/ اعتماد مقاول الباطن للأعمال الكهربائية
المشروع/ انشاء رياض الاطفال بأمارة ابو ظبي
روضة اطفال بوادى الفلي مدينةناهل / العين
المقـاول/ شركة خالصا للمقاولات والصيانة العامـــة

بالإشاره لكتابكم ص/ ٧٩٨/ظ/٩٨ بتاريخ ٩٨/٤/١٣م بخصوص طلبكم اعتماد الساده/ شركة سيرينو للمقاولات الكهربائيـــــة رخصة البلدية رقم (٨٣٣٧) من دائرة بلدية ابو ظبي بتاريخ ٩٨/٢/٢٤م كمقاول باطن للأعمال الكهربائية وخدمات التبريد .

فأنه لامانع لدينا من ذلك تحت الشروط الآتية :

١) عدم الاخلال بمسئوليتكم التعاقدية اتجاه حسن التنفيذ .

٢) تنفيذ كافة الاعمال الكهربائية حسب المخططات المعتمدة .

٣) التقيد التام بما جاء بمواصفات المشروع فيما يخص هذه الاعمال .

هذا مع العلم بأنه لايحق للمقاول المطالبة بأية زيادات مالية او زمنية او خلافهما نتيجة لهذا الاعتماد مع احتفاظ الدائرة بحقها في خصم اية فروقات في الاسعار تنتج لمصلحة الدائرة .

واقبلوا التحية ،،،
